EDUCATION

NATIONAL INSTITUTE OF TECHNOLOGY DURGAPUR | BACHELOR OF TECHNOLOGY

Electronics and Communication Engineering

Expected May 2020 | Durgapur, India | CGPA: 9.51 / 10

KENDRIYA VIDYALAYA, IIT KHARAGPUR | AISSCE

Computer Science

Grad. May 2016 | Kharagpur, India | 93.8%

KENDRIYA VIDYALAYA, IIT KHARAGPUR | CBSE

Computer Science

Grad. May 2014 | Kharagpur, India | 95%

WORK EXPERIENCE

CHRISTIAN-ALBRECHTS-UNIVERSITÄT ZU KIEL DAAD WISE SCHOLAR

May 2019 – July 2019, Germany | Supervisor: Prof. Dr.-Ing. Dipl.-Wirt. Ing. Stephan Pachnicke

- Working with team on programming the Levenberg Marquardt training algorithm for a neural network.
- Matlab based simulation model of a 64 bit QAM communication system.
- Experience with various training algorithms, performance and respective scope of improvement.

INDIAN INSTITUTE OF TECHNOLOGY, KHARAGPUR SUMMER INTERN

May 2018 – July 2018 | Supervisor: Prof. Sant Sharan Pathak

- Working in a research group which dealt with efficient storage algorithms to control data reliability and redundancy
- Developed regenerated codes, a type of distributed storage system where data is split and stored across several nodes

PROJECTS

- **CJUDGE AUTOMATE**
A python script to automate submissions to online coding platform. This was built using splinter and selenium packages of Python. Presently it only supports Codechef.
- **TRANSFERRO**
Python-based application is designed for instantly transferring files between devices connected over the same network when the internet speed is low.
- **PLACEMENT PORTAL**
A Django based application, which caters to the need of institute training and placement department
- **MINIMALIST AUDIO PLAYER**
A simple GUI-based audio player with the support for most common audio formats.

SKILLS

Programming Python • C / C++ • MATLAB

Platforms Linux • Windows

Version Control Git

Graphic Designing CorelDRAW X8 • Inkspace

ACHIEVEMENTS

- 2019 Selected to intern at Laval University, Quebec, Canada under **Mitacs** Globalink Research Internship
- 2019 Received scholarship from **DAAD** to join as a visiting scholar at University of Kiel, Germany
- 2018 Achieved a global rank of 4 in Code Garage September Challenge, **Codechef**
- 2017 Awarded distinction for securing an AIR of 19 in JMO. Selected for **INMO** training camp.

POSITIONS OF RESPONSIBILITY

TRAINING AND PLACEMENT REPRESENTATIVE - NIT DURGAPUR

July 2018 – Present

- Determining all required placement requirements and assist all apprentice participants to exchange all information appropriately.
- Managing end-to-end campus recruitment processes of visiting companies which includes scheduling, logistics, hospitality and student management.

SECRETARY - IEEE STUDENT BRANCH

April 2019 – Present

- Organized short-term courses and workshops for skill development.
- Collaborated with other Student Branches for various events.

DEVELOPER - NITDGP

Mar 2017 – Present

- Served as a core committee member.
- Organized introductory presentations on Open Source and promoted participation in related events.

CONFERENCES & PUBLICATIONS

- A. U. Rahman, M. Biswal
Error-tolerant Beam Steering of mmWave Antennas by Trajectory Estimation of Highway Vehicles. COMSNETS 2019 Demos and Exhibits (COMSNETS) 2019, Bengaluru, India.

I hereby declare that all information given is correct to the best of my knowledge.
